

Youth Group News

As we conclude our scheduled time together, I encourage each of you to review some ideas for continuing our fellowship through the summer. They are:

Jr. & Sr. high lock in

A day at Sea-Breeze

Picnic at Hamlin Beach

Camp out on Holy Name lawn

Go to a Redwings or Rhinos game

I ask each of you to rank these items in order of preference: 1 being the most desired **and** 5 being the least. **Then** return them to me via e-mail at chefandrn@hotmail.com. With the addition of the pool table in the library at Holy Name, I would consider having a game night each month, if you would like to gather and continue our fellowship in addition to the above mentioned ideas.

As I continue to be the youth leader for HNOJ and OLM, I look forward to maintaining an environment in which each of you has the opportunity to develop and grow in your personal relationship with the living Christ. Your participation will greatly enhance the journey for each of us. I encourage you to take part in any of the activities you can and offer any suggestions that would add to the experience for everyone. As always feel free to contact me at the above E-Mail address, 621-6343x33 or 944-0255.

Yours in Christ
Daniel Anderson
Youth leader HNOJ OLM
